Comments from the Public

The Public Comment period is an opportunity for citizens to express opinions, raise issues, and provide information to elected officials.

- When called to the podium, begin your statement by giving your name and address
- You will have five minutes to speak, unless otherwise instructed

Tips for Successful Comments

Meetings run best when everyone respects common courtesy and decorum.

- Be open and honest
- Keep your comments clear and focused
- The chair has the right to cut off discussion that is too personal, too loud, or too crude
- Respect the views of others
- Allow others to finish speaking before commenting
