

MAYWOOD MATTERS

"The Best Small Town Around"

Issue #3 Summer 2018 Issue

July/August/September 2018

FROM THE MAYOR'S DESK

The summer has finally arrived! With the warm weather comes the opening of the town pool, the 4th of July Parade and Fireworks, as well as the other great events listed inside this newsletter.

The summer also means school will be in recess. If you are like most parents these days, you'll be encouraging your teenagers to get off the game console and get outside. This summer I hope to be seeing many of Maywood's kids riding their bikes, skateboards, and using their feet to get out and enjoy all that our town has to offer. As your Mayor, and more importantly as a parent, I ask that you please be especially mindful when driving in town. Make sure you keep your speed at the posted limit, leave your phone in your pocket or bag, and always be alert for pedestrians and bicyclists. Remember there is nothing more important than everyone getting to where they're going safely.

Have a great summer!

Mayor Adrian Febre

BERGEN COUNTY MOSQUITO CONTROL PROGRAM

This is the time of the year to take steps to eliminate stagnant water which is where most mosquitoes breed:

- Dispose of cans, buckets, plastic containers, ceramic pots or similar containers that hold water on your property.
- Properly dispose of discarded tires that can collect water.
- Drill drainage holes in the bottom of outdoor recycling containers.
- Clean clogged roof gutters if the leaves from surrounding trees tend to plug drains.
- Turn over plastic wading pools when not in use.
- Turn over wheelbarrows and don't let water stagnate in birdbaths.
- Aerate ornamental pools or stock them with fish.
- Clean and chlorinate swimming pools not in use and remove any water that may collect on pool covers.

For stagnant pools of water, homeowners can buy BTI products at lawn and garden, outdoor supply, home improvement and other stores. This naturally occurring bacteria kills mosquito larva, but is safe for people, pets, wildlife, aquatic life and plants. Bergen County Mosquito Control will provide BTI spraying for residential properties free of charge. To contact the Bergen County Division of Mosquito Control about a mosquito problem, call 201-634-2880.

Additionally, these simple precautions can prevent mosquito bites:

- Make sure screens fit tightly over doors and windows to keep mosquitoes out of homes.
- Consider wearing long-sleeved shirts, long pants and socks when outdoors, particularly when mosquitoes are most active at dawn and dusk, or in areas known for having large numbers of mosquitoes.
- When possible, reduce outdoor exposure at dawn and dusk during peak mosquito periods, usually April through October.
- Use insect repellants according to the manufacturer's instructions. An effective repellent will contain DEET, picaridin or oil of lemon eucalyptus. Consult with a pediatrician or family physician if you have questions about the use of repellent on children, as repellent is not recommended for children under the age of two months.

9-11 ECUMENICAL SERVICE OF REMEMBRANCE

The 9-11 Ecumenical Service of Remembrance will be held on Tuesday, September 11, 2018 7pm at the First Presbyterian Church (Maywood Avenue and Thoma Avenue). All members of the community are welcome to attend this ecumenical service.

CARTON RECYCLING NOW AVAILABLE IN MAYWOOD

Maywood residents can recycle food and beverage cartons as part of the curbside recycling program with the commingled collection (plastic, cans & glass). We are proud to expand the list of accepted recyclables and continue our mission to conserve energy and natural resources and protect the environment.

There are two types of cartons: shelf-stable (found on grocery store shelves – juice, milk, soy milk, soup, broth, wine), and refrigerated (found in the refrigerated section of grocery stores – milk, juice, cream, liquid eggs). Both types of cartons can be recycled.

Recycling cartons is as easy as 1-2-3:

- Empty your food and beverage cartons.
- Add cartons to your recycling bin with glass, metal and plastic containers.
- Take your recycling bin to the curb on collection day.

Once the cartons are collected, they are separated from other recyclable materials at the recycling sorting center. From there, they are either used to create paper products, such as paper towels and tissues, or building materials, such as ceiling tiles and roof cover board.

Learn more about acceptable recycling materials on the Borough website at www.maywoodnj.com.

MAYWOOD EARNS SILVER SRTS RECOGNITION

Safe Routes to School (SRTS) is a federal, state and local effort to:

- Improve the health and well-being of children by enabling and encouraging children, including those with disabilities, to walk and bicycle to school
- Make bicycling and walking to school a safer and more appealing transportation alternative, thereby encouraging a healthy and active lifestyle from an early age
- Facilitate the planning, development and implementation of projects and activities that will improve safety and reduce traffic, fuel consumption and air pollution in the vicinity of schools

The Borough of Maywood has earned 2018 Silver SRTS Recognition based on organizing events including the bike safety lecture and bike rodeo as well as crossing guard training and post observation. Congratulations to the Maywood Police Department and P.O. Erik Aronson.

MAYWOOD NATIONAL NIGHT OUT

Maywood National Night Out (NNO) is scheduled for Tuesday, August 7, 2018 6pm-9pm at Memorial Park. National Night Out is an annual community-building campaign that promotes police-community partnerships and neighborhood camaraderie. National Night Out enhances the relationship between neighbors and law enforcement while bringing back a true sense of community which serves to make our neighborhoods safer and a more caring place to live.

Furthermore, it provides a great opportunity to bring police and neighbors together under positive circumstances. Millions of neighbors take part in National Night Out across thousands of communities from all fifty states, U.S. territories and military bases worldwide. Maywood National Night Out will have demonstrations, activities, rides and a special surprise. For more information on National Night Out, please contact P.O. Timothy G. Cook at the Maywood Police Department 201-845-8800 or visit the Maywood Police Department website at www.maywoodpd.org.

MAYWOOD POLICE DEPARTMENT CHILD PASSENGER SAFETY

Under New Jersey law, children under 8 years of age must be secured in a child passenger restraint system or booster seat. An amended version of this law went into effect on September 1, 2015:

- Children under the age of 2 and weighing less than 30 lbs. **MUST** be in a rear-facing car seat with a 5-point harness. The car seat must be in a rear seat of the vehicle.
- From age 2 through age 4 and weighing up to 40lbs., children must be secured in a seat with a 5-point harness, either rear-facing (up to height & weight limits of the particular seat) or forward-facing in a rear seat of the vehicle.
- For age 4 until age 8 and less than 57" (4'-9"), children must be seated in either a car seat with a 5-point harness or a booster seat in a rear seat of the vehicle.
- Ages 8 and up must wear a properly adjusted and fastened seat belt.
- If there are no rear seats (e.g., standard cab pickup truck), the child must be secured in an appropriate car seat or booster seat for their age, weight and height in the front passenger seat. If the child is in a rear-facing car seat, the passenger side airbag must be disabled or turned off.

Often times, first-time parents or caregivers are uncomfortable with the installation of a child seat. In many instances, it has been found that a large percentage of child seats are not installed properly and additional help is needed to get the installation correct. To assist with this, Child Passenger Safety Technicians are trained to help parents and caregivers. Police Officer Erik Aronson is the Maywood Police Department Child Passenger Safety Technician. He can assist Borough residents requiring help with the installation or inspection of a child seat by appointment. P.O. Aronson can be contacted at earonson@maywoodpd.org or at 201-845-8800.
